ORTHODONTICS

Excellence in Orthodontics with Personalized Care

Welcome to our Practice

At WELLS ORTHODONTICS, it is our mission to provide outstanding, personalized orthodontic care.

Our goal is to help our patients achieve a high level of self-esteem and well-being by enhancing the health, appearance, comfort, and function of their teeth.

We use 3D models, digital x-rays, and computer imaging on every patient, so that we can achieve the best possible balance of optimum esthetics and function of the teeth, bite, and smile.

If you have any questions or concerns regarding your upcoming visit, we invite you to call or visit us at wellsortho.com. We look forward to seeing you!
